# Rice Street

## Capitol Area Reconstruction

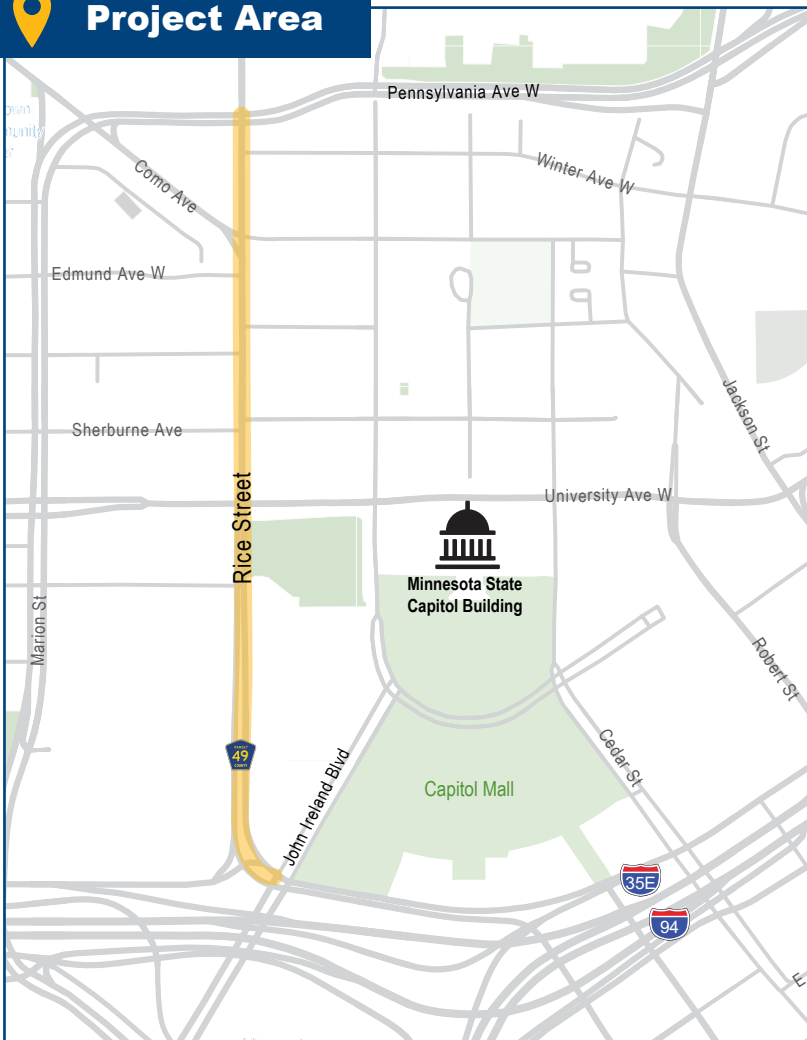

### Rice Street between John Ireland Boulevard and Pennsylvania Avenue

#### Overview

Ramsey County and the City of Saint Paul are working in partnership with the Capitol Area Architectural and Planning Board to design and construct a community-driven vision for Rice Street near the Minnesota state capitol from John Ireland Boulevard to Pennsylvania Avenue. This project is also being coordinated with Metro Transit's METRO G Line project. The purpose of this project is to:

- Improve pedestrian safety and access
- Improve bicycle safety and access
- Improve transit and multimodal operations
- Develop mobility hub
- Improve vehicle safety and operations
- Design for an enhanced and sustainable public realm
- Design for existing and changing land uses
- Utilize partnerships and have a transparent process

#### Project Area

#### Engagement

Inclusive community engagement is very important to the success of the study. Input from the public will shape the project every step of the way.
