

Ramsey County Employment Services Providers

<p>Diversionsary Work Program (DWP) help families become employed and economically stable within four months. By obtaining employment, many families are able to be diverted from longer term public assistance through MFIP.</p> <p>Supplemental Nutrition Assistance Program (SNAP) is a federal food and nutrition service program of the United States Department of Agriculture. SNAP individuals volunteer to engage with SNAP Employment and Training to help people prepare for and become employed.</p>
